Residents /students	30 €	60 €	60 €

(*) early fee until 1 September 2018; Late: from 2 September 2018

Registration via congress website

www.BOTA-Congress.be

This meeting was organized by chairmen Gerrit De Wachter and Wim De Weerd in conjunction with BHS chairmen Filliep Bataillie and Prof. J.P. Simon

The foreign speakers were Hans Christian Pape from Switzerland and Nikolaos Kanakaris from the UK

Local speakers were:

Ben Molenaers on Classification and treatment algorithm of pelvic fractures

Guy Putzeys on his Registry for pelvic fractures

Alex valcu on Classification of PP fractures

Marc Jayankura on Fractures during THA

Olivier Cornu on Infection following PP fracture surgery

The meeting was very well attended and the venue at the old Hasselt prison which is the law faculty of the University Hasselt was excellent.

During the break at noon the BOTA general assembly was organized as well.

The main changes are that Prof Olivier Cornu, who served a very successful four year tour will be replaced by Gerrit Dewachter as Bota president for the next two years.

Olivier was thanked explicelutely by Gerrit and the whole Bota team for his gallant and dedicated leadership and his accomplishments: every year a Bota convention, dedicated speakers time during the BVOT and numerous BOTA joint casuistic meetings. Also the expansion of the members tally and the positive evolution of the website are remarkable.

Thank you Olivier!

Dan Putineau will be vice president and will become president in two years time.

Erik Dr Groof remains the secretary.

Christophe Marchall will remain the treasurer.

Guy Putzeys will remain Estes liaison.

Wim Vandesinde will become Communication Officer.
