#### AEROSOL LA REVISTA, S.A. DE C.V.

Aerosol La Revista ("AEROSOL THE MAGAZINE" - 'ALR') - - - REACH THE LATIN AMERICAN AEROSOL INDUSTRY BY ADVERTISING WITH US! Specialized magazine in Spanish and Portuguese for the Latin-American aerosol industry. Aerosol The magazine was created in 2003, it's a monthly publication that spreads the latest news concerning innovative technologies, official norms, regulations for the production and commercialization of aerosol products. Sustainable and safety strategies and practices. It also informs about social/technical events, congresses, and fairs. ALR uses databases and articles to develop connections between providers, producers, and marketers of the aerosol industry and offers technical guidance that is 100% reliable. More than 4000 readers from business owners, executives, engineers, technical, and procurement people in Latin America read ALR every month. ALR is the official media organ of FLADA; and the ONLY WAY for suppliers to reach the Latin American aerosol industry with their advertising. USE AEROSOL LA REVISTA!
