**APTAR BEAUTY + HOME**

Aptar Beauty + Home is part of the AptarGroup family of companies, along with Aptar Food + Beverage and Aptar Pharma. We create innovative packaging dispensing systems for fragrance, cosmetic, personal care and home care product marketers. With a wide range of packaging dispensing solutions and broad geographic presence, we help our customers stay ahead of the ever-changing demands of consumers around the globe. We can act globally, regionally or sub-regionally, depending on project complexity and customer requirements. Our custom development organization creates synergies with the Expert Centers in order to take advantage of the new technologies. Aptar is a development partner for our strategic customers. Our development work is focused on convenience and value for the consumers. The Custom Development projects are organized on product platform: Closures, Aerosol accessories, Dispensers, Spray pumps, Hybrid.

Long skirt valves  
 for PET Aerosol container
