CRISAN PLAST

CRISAN PLAST is a family owned company specialized in INJECTION MOULDING of PLASTIC CAPS and SPRAY CAPS, in activity since 1971. We offer a wide range of VERTICAL SPRAY CAPS, HORIZONTAL SPRAY CAPS, SHAVING ACTUATORS, SPOUTS and other articles, suitable for COSMETIC, INSECTICIDES, AIR-FRESHENERS, PAINTS and AUTOMOTIVE products. Starting from 2017 we have also entered the BICOLOUR world.

Furthermore, we can develop customized items: our specialized staff give support to the client from step one, focusing in obtaining the best combination between high technology performance and nice shape. High standards of quality, large production capacity and fast production time have gained CRISAN PLAST a reputation as a reliable supplier worldwide.
