### Favor Metal Packaging

The company with its over 16 years experience in the scope of metal packaging is one of the huge company in Ukraine, it employs more than 300 people. The company grew from a small workshop of can production to the great modern plant, equipped with automatic printing lines and wide range of metal packaging lines.

Our latest invention in the factory is a new diameter of aerosol can.

We are introducing to a market a new size of aerosol cans of diameter 45 and 57.

Together with previous dimension of 52 and 65 we meet the requirement of contemporary aerosol market.
