### SELUZ FRAGRANCE COMPANY

As Seluz Fragrance Company, we are one of the leading fragrance companies globally. We provide fragrance solutions for a great variety of product groups under fine fragrance, personal care and home care categories. We create fragrances by blending the most special scents of nature in our dynamic, innovative and creative universe with a never ending passion. Our state of the art production facility, technical experience, high quality standards, strong analysis skills and market understanding enable us to provide solutions ahead of time. We welcome you to explore our Seluz universe, beyond the senses.
